Per ardua ad alta – Through difficulties to new heights

In the preface to this edition, I would like to move from a nautical to an aerial metaphor. The strong approval from the KHDA created the confidence we needed for a re-fit. The 'engines' now needed for our continuing development included further changes to the leadership structure, resulting in greater accountability by an extended leadership structure from KG to Phase 4 (Grades 9 – 12). A new Head, Deputy and Coordinators will be driving KG to the next stage of its development. The KHDA Wellbeing Census Report shows Springdales to be a community that rates highly across a range of indicators for wellbeing and we are developing a whole school approach to ensuring that the wellbeing of our students remains paramount.

The sails are being exchanged for wings and Springdales is on a roll down the runway gathering momentum with each week that passes. In the New Year, the school campaigned for and received permission not only to have Grade 9 restored, but also Grade 10 and 11. Springdales will soon be taking to the sky as a new academic year beckons.

The CBSE inspection team will arrive before the beginning of next term and we have a flight plan in place that will allow us to offer both breadth and depth to the CBSE XII curriculum

we will offer our Grade 10 students. We are also in discussion with Cambridge International Assessment and Examinations (CIAE) and the KHDA to introduce an alternative pathway into higher education through IGCSE and GCE AS/A2 from Grades 9 – 12. We will still be committed to CBSE but understand that parents and students would like to consider alternative curricula. This will only enrich the academic rigour of learning at Springdales.

The pages in this edition indicate that the opportunities for students to express their talents and our openness to the wider community are what set us apart. The 'value-added' to our students through participation in sports, the performing arts and high profile events like International day and the Taste of India is considerable. Student participation is an expectation in almost every level of collaboration and competition open to us and the opportunity to display traditional song and dance in Alaa Rishtha and WAMA II, not to mention World Yoga Day demonstrates the value that should be given to our students' ethnic cultures and heritage.

Talent Fiesta

"Talent can't be taught but it can be awakened."- Wallace Stegner.

"If you know you have talent, and you can do whatever you do exceptionally well, the school's 'talent Fiesta' is a great opportunity for you to share your gift. All appropriate acts are welcome. Performing in the talent show is a great opportunity to overcome your shyness and gain confidence."

This note was shared with the little ones of the KG section and their parents in order to give an opportunity to the children to show case their talents as per their ability and interest in different categories like Music, Dance, Fashion Show, drawing and coloring etc. The event, **"Talent Fiesta"** took place on **Thursday, 19th January 2017** during the school hours. It was conducted to showcase the unique and inborn talents of our smart Kindergartners. Many amazing performances were witnessed; the children sang and danced joyfully. Forgetting all inhibitions, the little ones not only performed extremely well but enjoyed themselves along with the delightful audience they were entertaining. The eloquent ones boldly stepped forward and narrated poems or stories with clarity and confidence. The fashion show was a great success as the well-dressed charming participants walked the ramp and won the hearts of one and all. For the ones who wanted to display their creativity, they were given empty canvases to express their creative and artistic skills.

Overall, the Talent Show was memorable as both the performers and spectators had an eventful, fun filled day. Even at the end of the day, the children remained excited and longed for another such event to be organized soon.

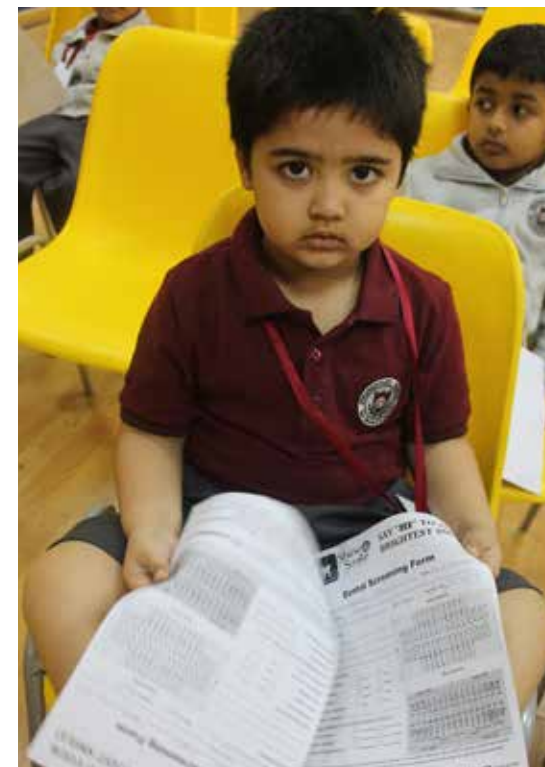

DENTAL WORKSHOP

"EVERY TOOTH IN A MAN'S HEAD IS MORE VALUABLE THAN A DIAMOND".

Springdales School Dubai, held a Free Dental workshop for the students on 15th April, it was exclusively for Kindergarten students. The workshop was arranged in fitness gym .Dr. Bisma made a presentation to the children and explained how to take care of the teeth. After the presentation Dr. Bisma interacted with the Children to understand whether the concept is clear to them. The children were also excited and were answering to the question very confidently.

Over all the workshop was very good and helped in developing awareness among the children.

VAMA - II

Seventy Five select students from Grades 6 to 8 of Springdales School Dubai came together to present a musical extravaganza - Vama – II at Indian Consulate, Dubai.

Vama – II was a Dance –Drama based on Shakuntala, a story written by great Indian Poet – Kalidasa. The whole preparations for the show was done in a week's time.

The event was graced by Mr. Vibha Kant, Consul, Consulate General of India in Dubai accompanied by Mr. Julian Williams, Principal of Springdales School, Dubai and other dignitaries.

All the students were given certificates of participation by Mr. Neeraj Agarawal, Consul Culture, Consulate General of India in Dubai.

The show was highly appreciated by the parents, grand-parents and guests.

KG GRADUATION DAY

I hope your dreams take you, to the corners of your smiles, to the highest of your hopes, to the windows of your opportunities, and to the most special places your heart has ever known.

*The notion conceived by each kindergarten teacher on that very special day i.e.
"Kindergarten Graduation Day".*

7th and 8th March, 2018 our young kindergarten children arrive at Springdales with their eyes flashing with excitement. Why not?? It was their day. A day led by them, for them.

The big event started by welcoming the gathering of parents by our youngsters. The event was graced by the presence of our honorable principal and the guest of honour Ex-HeadKindergarten, Mrs. Arundathi. Scrolls were given away to the proud graduates of the Kindergarten section. The young scholars expressed their hearty feelings about their Kindergarten days.

The cultural programme was mesmerising with the young graduates entertaining and enthralling the audience with their lively foot tapping dance performances representing the various regions of India.

The Graduation song sung by all the children of Kindergarten 2 rendered a message that Graduation is not the end, it's just the beginning. A touchy song, with a lot of emotions is what made the audience feel the heartiness of the event.

The Grand show concluded with the vote of thanks by one of our little graduates followed by a speech by Ms. Arundathi. She expressed her appreciation and thanked the parents for attending the show; the entire team for their hard work and last but not the least she congratulated the proud graduates as they move ahead in their academic career.

The event shall remain a mark of memory in the hearts of all the Springdaliens.

DUBAI FITNESS CHALLENGE

On behalf of Springdales School Dubai family, I take this opportunity to declare that we had completed successfully Dubai Fitness Challenge program. It is indeed the outcome of 30 minutes training which resulted in a positive step in achieving our goal as per the aim set by Dubai authority. I do hope each member of Springdales family will continue carry fitness program every day to become fit as 'a healthy mind in a healthy body'.

Fitness is a state of health and well-being and, more specifically, the ability to perform aspects of sports, occupations and daily activities. Both, health and fitness are closely inter-related to each other. Both are necessary for the human being to live a happy and healthy life. There are various things we have to take care all through the

life in order be healthy and fit. There is no alternate to the health and fitness, we have to eat healthy food timely, do physical exercises daily, think positive and have patience and commitment towards good lifestyle. Being involved in physical activities on daily basis does something great to our body and mind. It makes us feel good, helps us to complete tough tasks, makes us pleasant all around and keeps us happy all time because our body releases a chemical called endorphins while we involved in the physical activities. Regular physical activities also reduces stress, improves sleep, boosts energy level, reduces symptoms of anxiety and depression, increases our self-esteem, makes us feel proud, improves confidence level and personality, etc.

WORLD YOGA DAY

The International Yoga Day was celebrated on 20th & 21st June, 2017 to bring peace, harmony, happiness and success to every soul in the world. This was a great opportunity to imbibe the value of discipline. Yoga is a mental, physical and spiritual practice that needs to be carried every day. Children got the chance to know how yoga embodies unity of mind and body. The students of classes IV- V and VI – X with the teachers performed Yoga ON 20th & 21st June 2017 respectively. Springdales. Different yoga postures like Corpse pose (Shavasana), Leg raise pose (Uttan Pag Asana), Half Plough pose (Ardh Halasana), Air Relief Pose (Pavan Muktasana), Boat Pose (Naukasana), Inverted Pose (Viprit Karni), Bridge Pose (Setttu Bandh Aasana), Crocodile Pose (Makarasana), Cobra POse (Bhujangasana), Reverse Boat

Pose (Naukasana), Bow Pose (Dhanurasana), Lotus Pose (Padmasana), Head & Knee Pose (Janushirasana), Wheel Pose (Chakrasana), Chair Pose (Utkatasana), Tree Pose (Vrikshasana), Angle Pose (Konasana), finally ended with Pranayama and meditation.

Heartfelt thanks to our Prime Minister, Mr. Narendra Modi for giving an opportunity for schools to celebrate the International Yoga Day. The school is also thankful to CBSE & Consulate General of India-Dubai for initiating this under them, also for inculcating Yoga as a part of the syllabus. We would like to give special thanks to Nirvana and Heartfulness group for supporting us in celebrating 3rd International Yoga Day, 2017.

INTERNATIONAL DAY & TASTE OF INDIA

International Day is an opportunity to bring fun into learning, and to bring the huge number of nationalities we have in school together, allowing the students to teach each other about a variety of cultures. International Day is held each year celebrating our students' role as global citizens. The day broadens students' horizons and affords opportunities for them to learn more about their contemporaries' cultures, food and languages, while forming a greater understanding of their own in the wider community.

The day included a special exhibition at which parents, SAWA, merchandisers and students host stalls with displays, food and music. Students are also availed the opportunity to participate in a wide array of sampling activities and learning new skills. A stall by SAWA with paper bags and art work made by the students was a

platform for the creative minds to display their talents. The chocolate stall, 'Heavens' set by our Grade 11 student, Irum staged the opportunity provided for budding entrepreneurs at Springdales. Workshops and activities included making international street food, djembe drumming, and trampolines at 'Bounce', Latin dancing, Islamic design and African art. The culmination of the eve was a showcase of primary students' dance and singing on stage. Various dance forms of different countries was presented by the Springdaliens. The showcase ended with a parade of the most impressive costumes on display.

It is very important that we not only celebrate the mix of nationalities that we have at the school but also encourage the children to learn more about other cultures.

ZAYED PAINTING

Our Springdalian artists of grade 4, 5 and 6 participated and created masterpieces in the Zayed Painting Competition which aims to celebrate the Life, Legacy and Values of Sheikh Zayed and to mark the 100 years of birth date of Sheikh Zayed, the competition aimed to enhance the creativity of all participating children and appreciation on art towards the community. Students created beautiful artworks depicting Life, Legacy and Values of Sheikh Zayed. Students learnt and grew with art, enhancing creativity, out of box thinking and imagination. Students witnessed the artworks of their fellow students and got diverse ideas enhancing knowledge and creativity.
