## WHAT WE LEARNT DURING THE WEEK

### PERSONAL, SOCIAL, EMOTIONAL DEVELOPMENT:

Children discussed about different types of houses and homes. They displayed their own knowledge and understanding about different parts of a home.

### COMMUNICATION AND LANGUAGE:

Learners enjoyed listening to the story “Three little rabbits” often predicting what will happen next. They retold the story in their own sweet words.

### LITERACY:

Learners were introduced to ‘s a t p i n’ words-at, in, sat, pat, nap, tap, sap, pin, tin, sip, pip etc. They learned the new sight words ‘am’ and ‘all’ and revised all the sight words learned in KG1.

### MATHEMATICS :

Learners were introduced to “number line” and sequencing the numbers on number line. They also learned skip counting of 5 by using number line.

### UNDERSTANDING THE WORLD:

Learners participated in STREAM activities and created houses using recycle material. Learners did an experiment by creating houses using various materials and compared the houses to find out the strongest one which wolf can not blow away. They also learned about the different parts of the house.

### EXPRESSIVE ARTS AND DESIGNS:

Learners used their own choice of materials and shapes to create houses. They explained, in their own words, the procedure they followed to make houses. They also discussed about parts of their house.

### PHYSICAL DEVELOPMENT:

Learners learned to handle tools, objects, construction and malleable materials safely with increasing confidence.

## HOME CONNECTION
