## PICTURE OF THE WEEK

## THEME OF THE MONTH - Rhyme Time

### Springdales wishes you all Ramadan Kareem.

Now with kids accustomed with new environment and daily routine, we took an initiative to introduce them to dramatic play in addition to focusing on developing their motor skills with this week's rhyme. We took this opportunity to acquaint our little ones to the all time favorite rhyme "Baa Baa black sheep".

You will all agree that it is always a pleasure to watch our little angels share stories and participate actively in singing, dancing and other creative activities to channelize their energy in a productive and positive manner.

While engaging the children in crafts related to the rhyme they learnt how sheep is a farm animal and gives us wool and milk. They also learned about the young one of a sheep. The little ones were super excited to take home their paper plate sheep masks.

The kids were involved in dramatic play where they took on the roles of different characters in the rhyme. They were involved in pretend play and had fun sounding and acting like sheep. With their act the tiny tots displayed their wonderful performance and took pride in it.

With all the play and fun the learning was taken to the next level

## HOME ASSIGNMENTS

- Children will find out that other than sweaters what all can be made from wool?
- What do you call a person who takes care of sheep?
