## PICTURE OF THE WEEK

## Theme of the Month - Colors & Shapes

Our little bundles of joy had a wonderful learning week filled with excitement. It is a great achievement to see our little ones with double enthusiasm in every coming week during the entire time spent at school.

In the continuation of the theme this week, we made our Pre kindergarteners familiar to the topics which include the letter 'T t' along with its phonic sound, the colour Green, number 3 along with its number value and the rectangle shape as learning about shapes not only helps children identify and organize visual information, it helps them learn skills in reading, math, and science.

Different activities were planned which working on their fine motor skill development. Crumbling and pasting technique using paper was done to make different crafts which gave the super excited learners a hands on experience to create the rectangle shape, number 3 etc. The colour green was seen all around the classes of Pre Kg as the little artists had an exposure to the colour through painting activities where they used Q tips, paint brush and other techniques to create bunches of grapes, tress etc. They enjoyed making tiger crafts associating with the letter T and the unique trains created by them using different color rectangular shapes was worth a watch. Learners enjoyed lacing different objects related to the topics which also helped improve their hand- eye coordination. The children went on nature walks to see and collect the different green leaves. They were made aware of the importance of eating green vegetables and growing plants. Our super stars were also involved in small group activities so as to improve upon their social and emotional bonding with their peers.

Overall it was a great week with lots of fun activities which took the knowledge and understanding of each topic to the next level.

## UPCOMING EVENTS

The Green Weekend'-Go to the supermarket with mom to buy a green vegetable of your choice. Cook together, eat together with mom and dad.

## HOME ASSIGNMENTS

- 'One World One Family' returns - China
- Featuring our very own mommies!!! In lead role "CPRs"
- Children will come dressed in red colour clothes or national costume of china made with recycled material on 2nd October, 2019, Wednesday.

## WHAT WE LEARNT DURING THE WEEK

### The following were our focused activities-

#### **PERSONAL, SOCIAL, EMOTIONAL DEVELOPMENT:**

The children interacted with each other by talking about the toys and relating it to the shapes learnt. It was a pleasure to see the little stars enact with their peers at the role play area developing their social skills.

#### **COMMUNICATION AND LANGUAGE:**

Children were excited to speak about the color 'green' in which they initiated conversations with their classmates talking about the objects which are green in colour at home, in class as well as fruits and vegetables. They expressed their views on the importance of eating green vegetables.

#### **EXPRESSIVE ARTS AND DESIGNS:**

Children developed their eye hand coordination through painting activities using q tips, finger painting etc. as they enhanced on their fine motor. They were engrossed in art and craft activities liking tigers, a bunch of grapes etc. using paints, shape cutouts.

#### **UNDERSTANDING THE WORLD:**

Learners were taken out for nature walk to explore different shapes and colors around the school premises. They enjoyed observing around the natural environment by pointing out the green tree green grass, etc.

#### **PHYSICAL DEVELOPMENT:**

- Outdoor play
- PE and Swimming
