PICTURE OF THE WEEK

THEME OF THE MONTH - Sea Animals

Welcome to another exciting week of learning! This week our tiny tots dived and explored into the ocean of learning where they came across different sea animals like Whale, Dolphin, Shark, Jellyfish and Crab.

The children were involved in different group discussions and they shared their views and opinions on their knowledge of sea life and their experiences. They were encouraged to get involved in 'What and How' questions. They interacted about what kind of fishes they have seen and where – e.g. Dubai Aquarium.

Children shared their exciting experiences when they visited School Aquarium and were able to answer simple questions related to it.

Along with reinforcement of all the letters done until now, this week we introduced letter 'Cc' along with its phonic sound. The learners were encouraged to name few words starting with letter 'C'.

Number value from 6 to 9 was done this week using several hands on activities and manipulatives.

Field Trip

Our young Kindergarteners were super excited and happy to visit "Velocity Sports and Recreation Club". Various indoor activities in the club helped in the enhancement of their coordination and motor skills. Our super learners enthusiastically explored different kids play area. They had unlimited fun participating in the exciting games that the Recreation Club had offered. It was indeed a treat to visit such an amazing place where our tiny tots had an enthralling fun filled experience.

UPCOMING EVENTS

- National Day holidays from 1st to 3rd of December. School resumes from Wednesday, 4th December 2019.

COMMEMORATION DAY AND NATIONAL DAY

- To enable our children celebrate and express their love for this magnificent nation and gain deeper understanding of its rich culture and heritage children came to school dressed in UAE Flag color /Arabic Attire. They proudly wore on their chest the UAE flag badges and took it home as a memento. They learned about UAE and its culture by watching videos of National Day parade and celebration.

WHAT WE LEARNT DURING THE WEEK

The following were our focused activities-

PERSONAL, SOCIAL AND EMOTIONAL DEVELOPMENT:

Children were involved in interactive activities about different sea animals. They expressed their views on what they eat and about their size. They also discovered that sharks and dolphins are the most intelligent sea animals.

COMMUNICATION AND LANGUAGE

New vocabulary words such as Intelligent, smart, dive were introduced to them along with introduction to the letter 'C' and corresponding phonic sound as well as objects.

EXPRESSIVE ART AND DESIGN

Learners were engaged in different hands-on activities like creating aquarium using small fishes and different sea creatures. They created sea weeds by using the tearing and pasting technique. Various resources were used to create crafts on Shark, Dolphin, Jellyfish and Whale.

UNDERSTANDING THE WORLD:

Learners were made aware of the importance of life under the sea and how it differs from life on land.

PHYSICAL DEVELOPMENT:

Outdoor play, Organized game, Stretching and Yoga.
PE and Swimming

LIFE SKILLS:

Fine motor skill is the coordination of small muscles in movements usually involving the synchronization of hands and fingers with the eyes.

The learners performed the following life skills activities this week-

They were able to transfer solid from one bowl to another.

They were also encouraged to use thread and unthread the beads.

Using child friendly scissor.

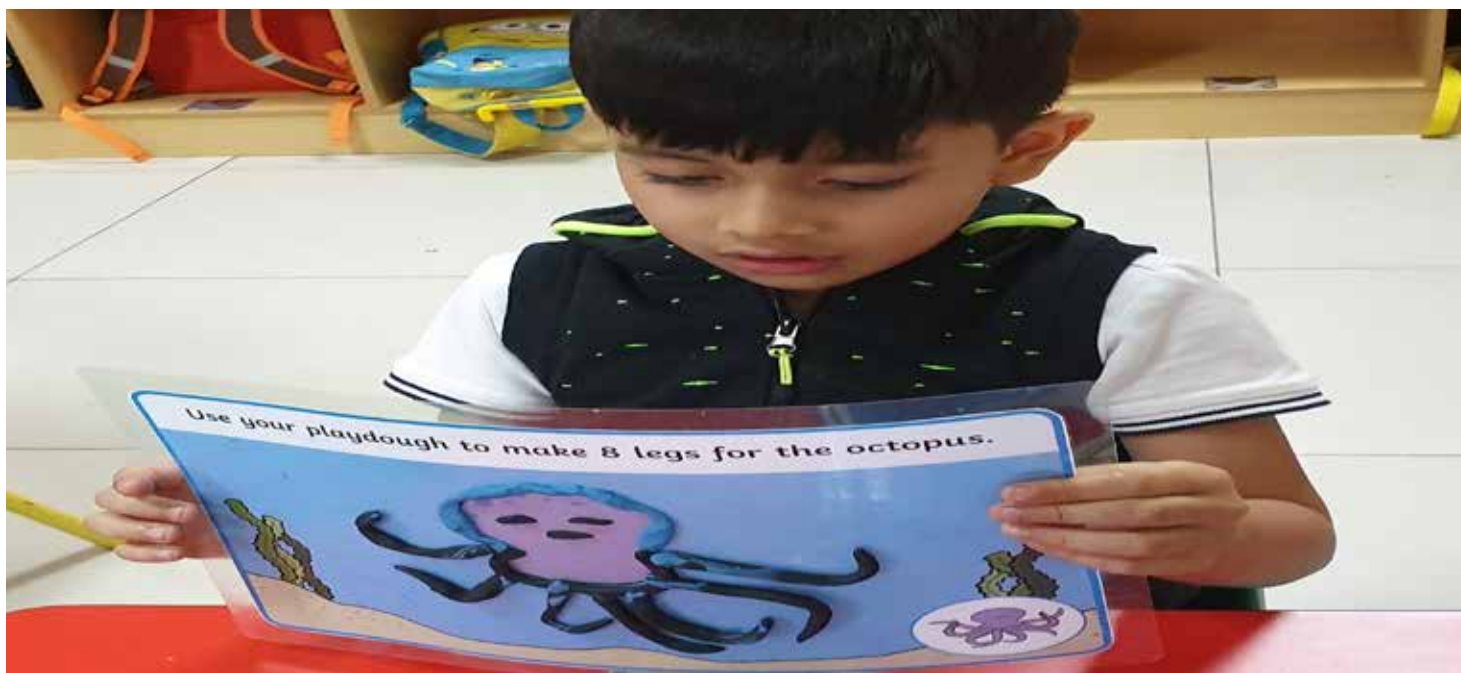

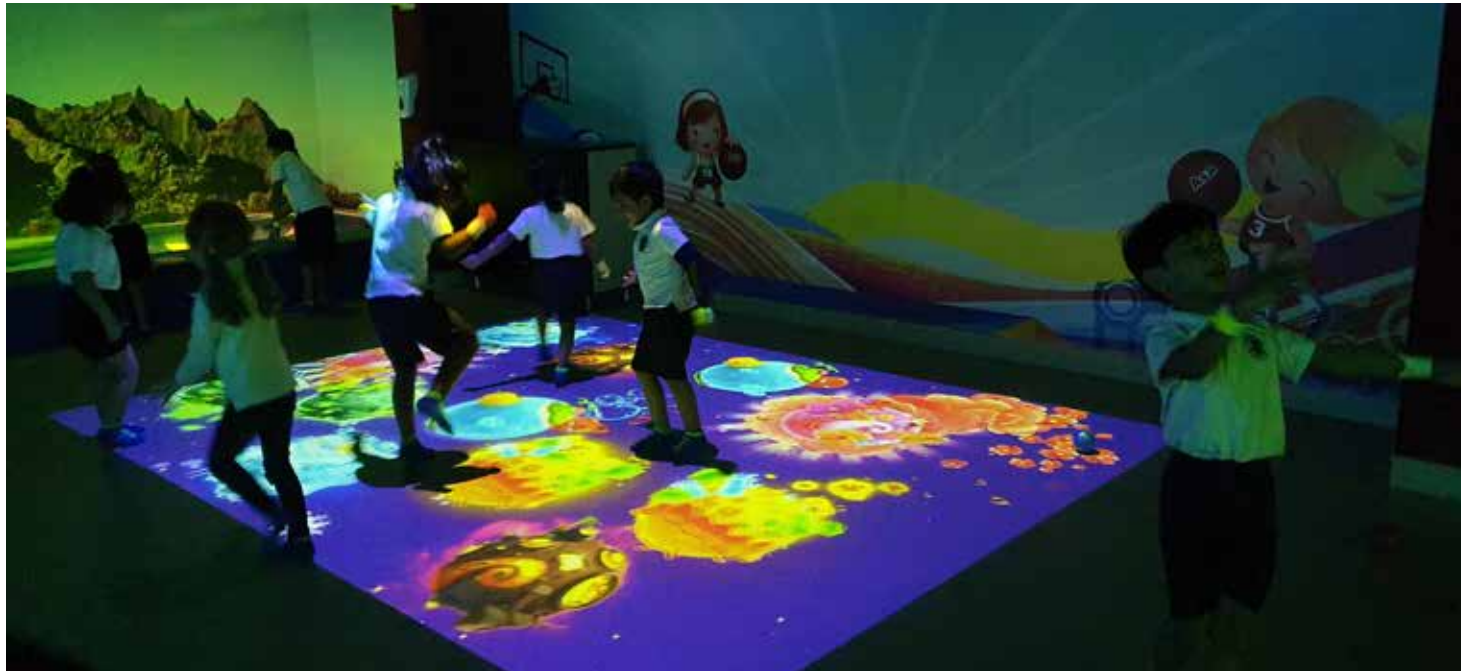

Learning table manners.

Home Connections

- Kindly Practice :
- Phonic sounds and writing of letters learnt.
- Making sentences with the sight words taught.
- Writing numbers 1-19 in the tens and ones format.
- Let the little learners read the OXFORD READING TREE (ORT BOOK) Up You Go to you. Let them read and identify the sight words.

THEME OF THE MONTH-TRANSPORT

SUB TOPIC OF THE WEEK: Air and water transport

UPCOMING EVENTS

National Day Holiday- 29th November -3rd December

STAR OF THE WEEK

WHAT WE LEARNED DURING THE WEEK:

LITERACY:

Phonic recognition activities, blends and letter sequencing from n to z was done. Sight word help and jump was introduced.

MATHEMATICS:

Recap of numbers 1-19 was done. Learners wrote the numbers in a tens and one sequence format. Learners were introduced to number 20. The concept of tens and ones was reinforced with lots of hands on activities and worksheets.

UNDERSTANDING THE WORLD:

Learners learnt about the different types of Air and Water transport. Learners discussed the difference between a Dhow and an Abra- related to water transport.

EXPRESSIVE ARTS AND DESIGNS:

Learners enjoyed making different types of air transport using popsicle sticks and recycled resources.

PERSONAL, SOCIAL, EMOTIONAL DEVELOPMENT:

Learners were observed for following instructions and participating in rehearsals for Making Melodies. They displayed independence and responsibility.

COMMUNICATION AND LANGUAGE:

Learners participated in an interactive quiz on landmarks found in UAE. They shared their experience about their visit to these places.

PHYSICAL DEVELOPMENT:

Learners took part in climbing and balancing activities in the activity room.

Field trip to -Dig It

Field trip is an important part of the school curriculum. It is a good learning experience as the children learn more about the world, the people and themselves, when they leave the sheltered environment of the classroom. It takes learning beyond walls.

The kindergartners enjoyed their day out as we went on a field trip to Dig -it on 25.11.19. They played to their hearts content at Dig - it, yet was a tremendous learning experience for all of them .

Who doesn't like to dig, move, climb, build and create. Driving a remote-controlled truck, piloting a mechanical arm, and operating a full-size digger was a WOW experience for the Diggers. They chatted and giggled and had lots of fun exploring every nook and corner. Before we waved them goodbye, we watched a few tricks and group dances along with the helpful staff of Dig -it . Whatever the purpose, field trips are always a fruitful learning experiences.

Commemoration day and National Day

To enable our children celebrate and express their love for this magnificent nation and gain deeper understanding of its rich culture and heritage children came to school dressed in UAE Flag color / Arabic Attire. The children started with commemorating and paying tribute to the martyrs followed by UAE National Day Assembly, Intra class pop quiz and parade. They proudly wore on their chest the UAE flag badges and they took it home as a memento . They learned about UAE and its culture by watching videos of National Day parade and celebration.
