RE-Letter to Parents

Dear Springdaliens,

As we head into the last few weeks before completing the academic year ahead. You will be aware that all schools in Dubai have been submitting their reopening plans for KHDA approval as we are required to adhere to a strict set of rules and regulations overseen by the Dubai Health Authority. Once approved I will be able to communicate to you in more detail so you can make an informed decision for the continued education of your child.

We have opted for a blended learning model that maximises choice for parents and provides excellence in learning whether it be face to face or online. We understand that some parents would prefer to keep their children at home for a little longer, and we will fully support these families with our 100% Distance Learning programme which was given the highest rating by KHDA in June so we are confident we can accommodate our learners equally well regardless of the option they choose.

Our school has worked very hard for a number of years in the area of protection, care, guidance and support of students and we are currently rated as OUTSTANDING by KHDA in this area, so you as parents can be confident that we will always be prioritising the health and wellbeing of your children. For example:

- The health of your children across all age-groups will not be compromised within the Health and Safety regulations in any way.
- We want your children to be happy to be back at school, excited to see their friends and to feel safe and reassured that their wellbeing is our priority.

We are also very settled with our staffing as we are entering the second half of our Academic Year which provides even more continuity and surety for our students, parents and staff. We will be informing all parents in the coming weeks about the individualised options and plans for your child which ever learning option you choose. So, keep an eye out for more information coming from myself and other members of the senior leadership team.

Please keep enjoying your holidays, stay safe and I look forward to seeing you at the start of September and we will be in touch very soon.

Regards,

Dr. Brian Gray
Principal
Springdales School, Dubai.
